July 15

What's new?

May Day Bank Holiday weekend was a busy time for the Bedale Scouts when they took nearly 40 children on Big Scout Camp while the rest of the estate celebrated at the Heart of Buttershaw festival.

Check out www.heartofbuttershaw.org.uk for photos and information about next year.

Aubrey was invited to London to receive Charity Bank's 'Impact of the year' award. **Footprints** was recognised for providing significant employment and childcare on Buttershaw. Charity Bank are helping us to build even more opportunities for our estate.

Footprints is an outworking of Buttershaw Baptist Church. Visit their website: www.buttershawbaptist.org.uk or see the insert for more information about weekly services for our community.

Thursday 6th August

1:30pm-2:30pm

Pizza making

Chance to cook and eat pizza together

All activities based at the Church Centre

We hear time and again the struggles of families trying to afford healthy food and finding the time to get to the nearest supermarket. Four years ago, Footprints took the bold step of sourcing the best fruit and vegetables from the same market that green grocers use in Bradford. This has meant we have been able to offer quality food at affordable prices on the doorstep of Buttershaw residents.

If you haven't seen it yet, come along to our main reception at the Church Centre, all are welcome.

We are open Tuesdays, Wednesdays and Thursdays between 8:30am and 4:00pm also Fridays between 8:30am and 1:00pm.

Payment can be made either by cash, debit card or Healthy Start Vouchers. Orders and local deliveries can be pre-arranged.
